Ambulance Cover every Victorian needs

Ambulance services in Victoria are not free and not covered by Medicare. An event that uses air transport can cost over \$11,000. In fact just one emergency ambulance trip by road can cost more than \$1,200.

Ambulance Victoria (AV) Membership provides you with annual ambulance cover that protects you and your loved ones against the cost of using ambulance services.

Membership cover includes:

- Emergency road and air transport.
- Ambulance treatment when you don't need transport.
- Non-emergency transport to the nearest medical facility that has been pre-approved by us and is medically required.
- Ambulance treatment and transport needed whilst travelling interstate the ambulance service in that state will take you to the nearest medical facility that can help you.

Membership will only cover transport costs when:

- You are taken by a state registered ambulance to the closest medical facility that can help and;
- there is a medical reason for the transport to occur and;
- the waiting period has been completed (this starts after we have received your membership fee).

When buying AV Membership, you agree:

- To read and follow the AV Membership Business Rules* and the AV Privacy Policy and;
- That we are allowed to change the AV Business Rules anytime we need (so it is best to check them regularly) and;
- That the amount we charge for a membership can also change at any time without notice.

Membership fees are a vital source of funding that help support AV's operational activities such as paramedic training and development, and new and improved equipment/vehicles.

As part of our sustainability objectives, we are committed to reducing our environmental footprint and costs of operation without impacting service to our members. Therefore, we use email as our first point of contact to send you confirmation of joining, renewals and other membership related information.

*The AV Membership Business Rules explain the terms and conditions of membership in more detail. We recommend reading them as well as the FAQs so you know what you are covered for. These can be found on the AV website at ambulance.vic.gov.au/membership or by calling 1300 366 141.
